On 5th June 2024, NSS has organized a tree plantation program at R R College of Pharmacy. NSS has taken up a "Special Plantation Drive" under this program, we have located the area in the college campus, where we can go for the plantation program was inaugurated by chief guest Dr. Anuradha Prof. Sushrutha Institute of Ayurveda Medical Sciences & research center , Principal Dr. Narayanaswamy V B, NSS Co-ordinator Mr. Harish N and staff and students have also participated in the event.

On that day we planted 20 samplings on the campus NSS volunteers took part in their program. The program started at 11.30 Am and concluded at 1.00 Pm.

NSS members have taken responsibility for one tree. All staff members, Students, and Volunteers actively participated in the plantation drive. We got the sampling from the horticultural department and nurseries. All of these events were very successful.

The NSS Special camp "Tree Plantation Drive" was conducted on 05th June 2024 in the R R College of Pharmacy surrounding villages. The idea behind the tree plantation activity was to propagate the message to the general public that planting trees helps to maintain a clear eco-friendly environment reduces pollution and improves the green ambiance. As we know trees are the foremost source for producing oxygen in the environment, they help to reduce the level of CO2. As the whole world is facing the problem of global warming and other environmental-related issues to recover from such a problem planting trees has become one of the most important aspects today. Tree plantation is a great way to increase NSS volunteers' interest in participating in the NSS special camp. The activity started at 11:30 A.M to maintain greenery. The NSS volunteers actively participated in the complete pre-planting and tree plantation activities. The main objectives of this activity is to create awareness among the NSS volunteers and the general public regarding the importance of the environment, the benefits of trees, and beautification in and around the village.

We thank all stakeholders involved in this endeavor and look forward to further collaboration and success in the journey ahead.
